

iSOFT Dividend Reinvestment Plan and Share Purchase Plan

Sydney – Friday, 25 September 2009 – iSOFT Group Limited (ASX: ISF) – Australia's largest listed health information technology company today announced that the price at which shares will be allotted under the Dividend Reinvestment Plan is \$0.83.

The price includes a 5% discount to the volume-weighted average price over 5 trading days beginning 16 September. The shares will be allotted on 6 October 2009.

Shareholders are reminded that they may also subscribe for up to \$15,000 worth of new shares, without incurring brokerage or transaction costs, under the Share Purchase Plan which ends at 5 pm (AEDT) on Tuesday, 6 October. The shares will be offered at a 5% discount to the volume-weighted average price in the 5 trading days up to and including 6 October. Participation is open to eligible shareholders who on 1 September were holders of fully paid ordinary iSOFT shares and whose registered address is in Australia and New Zealand.

About iSOFT Group

iSOFT Group Limited (ASX: ISF) is the largest health information technology company listed on the Australian Securities Exchange, and among the world's biggest providers of advanced application solutions in modern healthcare economies.

iSOFT works with healthcare professionals to design and build software applications that answer all of the difficult questions posed by today's healthcare delivery challenges. Our solutions act as a catalyst for change, supporting free exchange of critical information across diverse care settings and participating organisations.

Today, more than 13,000 provider organisations in 39 countries use iSOFT's solutions to manage patient information and drive improvements in their core processes. The Group's sustainable development is delivered through careful planning, in-depth analysis of the market, and anticipation of our clients' evolving requirements. Our business is driven by the collective talent, experience and commitment of more than 4,700 specialists, including more than 2,300 technology and development professionals.

A global network of iSOFT subsidiaries, supported by an extensive partner network, provides substantial experience of national healthcare markets. As a result, we offer our clients comprehensive knowledge of local market requirements in terms of culture, language, working practices, regulation and organizational structure.
