

Announcement to the ASX

iSOFT raises \$12.9m under Share Purchase Plan

Sydney – Wednesday, 14 October 2009 – iSOFT Group Limited (ASX: ISF) – Australia's largest listed health information technology company today announced it raised \$12.9 million under the Share Purchase Plan (SPP), which closed on 6 October.

The new shares will be allotted to shareholders on 15 October at \$0.7733 each. The shares were offered to eligible shareholders that took part in the SPP at a 5% discount to the volume-weighted average price of \$0.8140 for the five days up to and including 6 October. New shares numbering 16,634,270 will be issued under the SPP, increasing iSOFT's total issued capital to 1,032,419,959.

About iSOFT Group

iSOFT Group Limited (ASX: ISF) is the largest health information technology company listed on the Australian Securities Exchange, and among the world's biggest providers of advanced application solutions in modern healthcare economies.

iSOFT works with healthcare professionals to design and build software applications that answer all of the difficult questions posed by today's healthcare delivery challenges. Our solutions act as a catalyst for change, supporting free exchange of critical information across diverse care settings and participating organisations.

Today, more than 13,000 provider organisations in 40 countries use iSOFT's solutions to manage patient information and drive improvements in their core processes. The Group's sustainable development is delivered through careful planning, in-depth analysis of the market, and anticipation of our clients' evolving requirements. Our business is driven by the collective talent, experience and commitment of more than 4,600 specialists, including more than 2,300 technology and development professionals.

A global network of iSOFT subsidiaries, supported by an extensive partner network, provides substantial experience of national healthcare markets. As a result, we offer our clients comprehensive knowledge of local market requirements in terms of culture, language, working practices, regulation and organizational structure.
